

2021 Bat-Nat

The Bat-Nat is a Pétillant Natural made of the variety Schwarzriesling, also known under the name Pinot Meunier. Pressed directly but long enough to just give it a splash of color we bottle it with 9 g/l sugar left to finish fermenting in the bottle. We warmly disgorge by hand the following spring.

The vineyard is surrounded by the town, a habitat of nature providing 15 different species of bats space to hunt. When we learned about that we built a little project around it and since then have been receiving and collecting guano for our compost work.

Variety	Schwarzriesling
Origin	Kitzingen
Soil	Limestone
Altitude	205m
Orientation	West
Age of vines	Planted in 1988
Vineyard size	0,74 ha
Training system	Guyot
Yield	31 hl/ha
Harvest	24 September 2021
Vinification	Destemmed and gently pressed after 4h of skin-contact
Bottling	25 October 2021
Disgorged	April 2022
Alcohol	11%
Acids	5,8 g/l
Residual sugar	0 g/l
Natural SO ₂	4 mg/l
